

### **Code of Conduct and Duties and Responsibilities of the Awardees:**

- Students chosen for the Frs. Locke and Stiller Research Awards are expected to be exemplary from the point of view of discipline and academics.
- They are expected to spend a minimum of three hours on an average per week from Sunday to Friday at the College Library and/or the lab before or after the college hours.
- They are required to meet their respective advisors at least once a week for an hour. This is mandatory.
- They are required to make a timetable and submit it to their research adviser.
- Working in the labs on holidays and vacations may be permitted with prior permission from the Research Coordinator.
- The research room at the library can be used for their work only on producing the Research Student Identity Card.
- The Research Notebook must be used only for the research work. Any other use of it or lending it to others is strictly prohibited.
- To photocopy materials from the library, the approval of the Research Adviser and the ID of the research student must be produced.
- Trainings pertinent to motivating students to choose a research career in their field will be imparted and must be duly attended.
