

Lecture by Ms. Aino-Elina Pesonen from DIAK, Helsinki

St. Xavier's College was privileged to have another opportunity to collaborate with an international University.

Ms. Aino-Elina Pesonen addressing the students in LCR

On 11 November, Tuesday Ms. Aino-Elina Pesonen from DIAK University in Helsinki, Finland delivered a two hour lecture on traumatization, how to observe it and how to support recently traumatized children and youth. The BASW third year students immensely benefitted from understanding the phenomenon of traumatization psychologically and its effects on behavior.

The BASW 3rd years attending the lecture

The HODs and the Deans participating

Ms. Pesonen also engaged in a two hour session on Compassionate Leadership with the Deans and HODs of St. Xavier's College. While the qualities of a compassionate leader was highlighted, the

workshop challenged the decision makers of the college to find ways to continually engage our students in constructive behavior.
