

Gurupurnima Celebration by the students of PiE

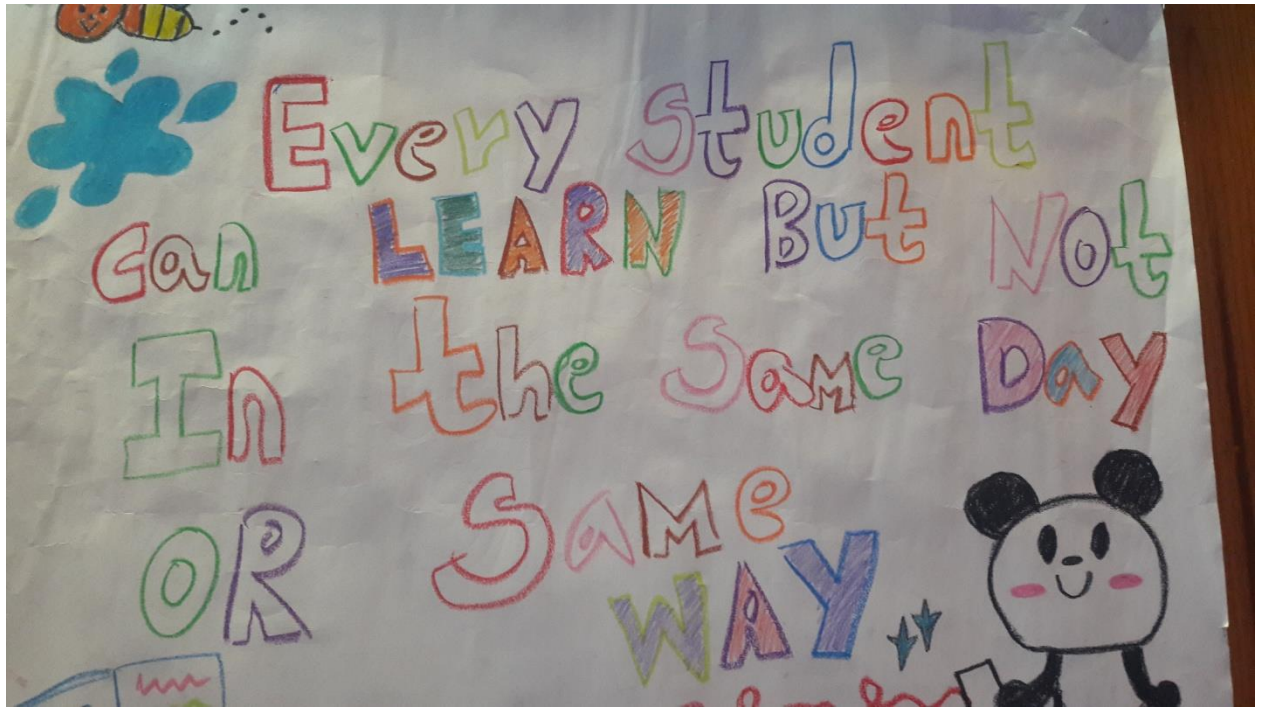

The students of PiE (Partners in Education) gave a pleasant surprise to their trainees and volunteers by planning and executing a wonderful program on the occasion of gurupurnima (Teachers Day) on 19th July. Members from all the faculties were invited for the program which was attended by Fr. Jiju Varghese, S.J., the principal of the college, deans and some teachers. The students put up songs and dances in honour of their teachers. All the items were organized by the students themselves. The program ended with everyone sharing some candies together. The program highlighted the fact that given opportunities, the students from disadvantaged backgrounds can also shine in any field. We are grateful to Mr. Mohan, the PiE coordinator for getting the kids ready for such a wonderful program.

Hearty Welcome

Fr. Jiju starts the celebrations by lighting the lamp
